

Hillsboro Summer Program

The Heart of Texas Junior Golf Academy Hillsboro Summer Program was developed to help provide area youth with the opportunity to learn and play golf. The program not only introduces the juniors to the game, but helps them develop the skills necessary to play the game, as well as learn rules & etiquette, develop good practice habits, learn responsibility, and how to conduct themselves properly during competitions. The program is a 12 week program. Juniors participate as often as they wish and the program is open to all juniors.
